Happy New Year from our family to yours!

The holidays are a good time to share your experiences from the past year and to express warm wishes for the coming year.

Perhaps your family follows some traditions and customs handed down by parents and grandparents. Or maybe you have created some new traditions of your own. Have you ever wondered about some of the traditions of the holiday season? For instance:

Why We Eat Pork and Sauerkraut for New Year's Day

Part superstition and part tradition... Pork and sauerkraut are believed to bring good luck and good fortune in the months ahead. Pork is on the menu because pigs root forward - the same direction most people hope to move in

the New Year. Conversely, serving chicken on New Year's Day is unwise because chickens scratch backward - not a direction anyone wants to go. Having a good supply of pork and sauerkraut for winter also made early Pennsylvania Dutch families feel rich because they knew they wouldn't go hungry in winter's bleakest months.

Another tradition is to make New Year resolutions. **The Credit Union Board of Directors has made a New Year Resolution.** The Board resolves to work diligently to move forward in 2019 to merge with Riverside FCU. This promises to be a good thing for our credit union and the Riverside FCU. Watch for further news as we move forward.

We wish you a Happy New Year.

File with TurboTax® and Save

Looking ahead, we will be filing our tax returns for 2018 very soon. The Credit Union has a special offer to help you save money and complete this task easily.

TurboTax® is the simple way to file your taxes with a user-friendly program and easy to follow questions. TurboTax® does the hard work and calculations for you, including searching over 350 deductions and credits.

Simply visit our website and select LoveMyCreditUnion.org link

Members can get details and save up to \$15 on TurboTax® 2018 Federal products.

Members may also take advantage of other exclusive savings offers from partners like Sprint®, ADT®, and more.

State filing charges may apply. Terms, conditions, features, availability, pricing, fees, service and support options are subject to change without notice. All service marks, trademarks and registered trademarks are the property of their respective owners.

Protect Yourself from Identity Theft

It only takes a few minutes to protect yourself from identity theft. Trust SHERPA® Identity Protection to guide you to the path that's right for your needs and gives you peace of mind. SHERPA® uses top identity theft protection technology in the industry to deliver outstanding protection at an affordable price. Select from one of three levels. Your identity is protected through a combination of services that includes ongoing credit monitoring and alerts, 24/7 internet surveillance with Digital Ally, SHERPA's proprietary

cyber-surveillance technology, as well as lost wallet and full-service restoration solutions. Anyone can become a victim of identity theft, which is why anyone can sign up for SHERPA®. Our product is available to anyone over the age of 18 who is interested in taking a proactive approach to monitoring their identity. Without identity protection, consumers are left with uncertainty and not knowing where to turn when identity theft strikes. SHERPA® will provide proactive monitoring to quickly identify fraudulent activity and put you on the right path forward.

Teaching Your Children How to Save by Setting an Example

Saving your money isn't always easy, especially when you don't have much to spare.

It helps to start with small goals. For instance, commit to putting a certain amount, say \$10, each week into a savings account. If you have direct deposit, consider setting up an automatic transfer of \$20 into your savings account using automatic payroll deduction. Gradually increase the amount of your deposits by a few dollars at a time.

To help your children get into the savings habit, start by having them cut out pictures of something they'd like to have someday and post the images where they'll see them often.

Then help them open a savings account at Beaver Falls Teachers' FCU. You can open an account with as little as \$5.00. Encourage your child to make small deposits each week. Tell them their money will earn interest while it's in their account. If they continue saving weekly, they'll quickly see their savings grow, and soon they will be able to buy their pictured item.

Endorsement and Making A Mobile Deposit

Revised Federal Reserve regulatory rules concerning endorsement of a remote deposit check (RDC) reduces the risk of duplicate deposits, i.e., once by mobile deposit and once by paper check deposit.

In the past, liability for a check that was deposited twice would fall on the bank that accepted the mobile deposit. This could be devastating to small financial institutions such as our credit union.

What does this mean to you?

All checks deposited using Mobile Deposit are required to bear the endorsement

**“For Mobile Deposit Only
to the BFTFCU”
in addition to your signature.**

It is always in your best interest to also include your account number on the back of the check being deposited.

If the endorsement is missing, your check will be rejected, and you will need to add the endorsement before attempting to mobile deposit the check again.

Simply marking the mobile deposit check box in the endorsement area of a check does not meet the new requirement for mobile deposits.

Don't have mobile deposit? Ask us how we can help you add it to your mobile banking app!

Making a mobile deposit is simple.

Be sure to endorse your check first properly then simply log onto your mobile app and follow these steps:

1. Select Remote Check Deposit
2. Select Check Deposit on the Check Deposit Menu
3. Your phone should automatically turn from Vertical to Horizontal and open your camera that will prompt you to align front of check up and take picture. Once image is taken select Accept Image
4. Now align the back of check up and take picture. Once image is taken select Accept Image
5. Now you will be asked for the amount of the check and to select what account you want the check deposited into Then select Deposit Check
6. You will receive a confirmation once you complete these steps
7. Deposits are processed twice a day during business days so please allow time to see the deposit into your account
